

DEVYNN RAE PALMER

<http://devynnpalmer.github.io> | palmerdevynn@gmail.com
+1 (405) 301 – 6346 | Ft. Walton Beach, FL 32547 USA

EDUCATION

University of West Florida

Bachelor of Science in
Software Engineering

Expected May 2019 | mGPA: 4.00

Northwest Florida State College

Associate of Arts

August 2013 – May 2016

COURSEWORK

Completed:

Java Programming
Software Documentation

In Progress:

Computer Organization
Database Systems
Algorithm & Program Design

LANGUAGES

Proficient:

Java • C/C++ • HTML • CSS

Familiar:

Python • Ruby • SQL

TECHNOLOGIES

XCode • Eclipse • Android Studio • IntelliJ
IDEA • Microsoft Visual Studio •
Git • Unreal Engine 4

PROJECT EXPERIENCE

Who's That Pokemon? | Java

- Utilizes Async Task to download Pokemon information from the internet, then saves to the device's internal memory.
- Retrieves downloaded information via regexes & returns dialog to the user.
- Created in Android Studio.

HCKR_NWS | Java

- Implements the Hacker News API to fetch articles from the internet.
- Stores articles within a database via JSON, then displays them in a webview.
- Created in Android Studio.

Escape | C++

- Programmed all game elements; including movement, UI, camera effects, and rhythmic syncing of game objects.
- Completed level with fine detail by utilizing Unreal's provided models & provided Blueprint implementation.
- Created in Unreal Engine 4.

WORK EXPERIENCE

Java Tutor

April 2016 – present | Freelance

- Mentored students on the fundamentals of Java through weekly code reviews & pair programming sessions.
- Identified compilation & runtime errors in student's Java code & provided example documentation & coding style corrections as appropriate.
- Decomposed software specifications for each student & delegated weekly coding tasks using online issue trackers.

Server

October 2014 – present | TGI Friday's

- Developed quick, strategic, decision-making skills under high-stress conditions, as well as the ability to maintain composure prioritizing & orchestrating many different job functions.
- Shiftleading tasks include maintaining regular communication with coworkers, delegation of sidework duties, & required overall team-leading capability.

ACHIEVEMENTS

UWF President's Honor Roll

- Maintained a GPA higher than a 3.90 for the semester | Summer 2016

Association for Computing Machinery's Council on Women in Computing

- Formally inducted as an ACM-W member | Fall 2016
